

The European Tech Alliance

European Tech Alliance

Promoting home-grown tech businesses is central to achieving the European Union's (EU) wider goals. With the right conditions, our companies can strengthen Europe's resilience and technological autonomy, protect and empower users online, and promote Europe's values of transparency, rule of law and innovation to the rest of the world.

We represent

29

companies

From
16

European countries

More than
145K

employees

More than
500M

users globally*

Our vision

The EUTA calls for boosting Europe's tech competitiveness by having an ambitious EU tech strategy to overcome growth obstacles, making a political commitment to clear, targeted and risk-based rules, and enforcing rules consistently to match the globalised market we are in.

Policy areas

- » Online Platforms
- » Consumer protection
- » Data and privacy
- » Artificial intelligence
- » Competition
- » Sustainability

Leadership

Victoria de Posson

Secretary General
EUTA

Antoine Jouteau

President EUTA
& CEO of Adevinat

Robert Torvelainen

Chair of the EUTA Board
& Head of EU Public
Policy at Wolt

Our members

* It reflects users, consumers and business customers from EUTA member companies, per year. It includes overlaps but illustrates the reach and impact of our services.

Partner with European tech for tomorrow's digital vision.
